Prez Sez

Well, I was really disappointed at the turnout at the last meeting. Only eight total members cared enough about our club to show up. That's embarrassing to say the least.

We sure have been blessed with the weather we've been having, I sure hope we won't have to pay for it later on.

It's Time again to be thinking of Toledo. They are having it April 14, 15, & 16 this year. As always several of us are going.

See you at the next meeting (3/08/12), be sure to bring your latest new airplane you've been working on all winter for show and tell.

Paul (The R/C Nut)
