Field Committee

We need volunteers to take on the field maintenance for this year. I would like to have 2 or 3 members for this. I realize this is a big commitment, but this is one of the most important positions in the club. The club will pay volunteers' AMA dues and club membership fees for the year. You will need to be able to take care of the equipment as well as work with the others on the field committee to keep the field cut and the weeds whacked. We have a month or two to discuss this at the meetings.

Winter Projects

I hope some of you will bring your winter projects to the next meeting to show off. ARF's, scratch built, electrics, tools or anything related to modeling is welcome.

Much discussion on Christmas party. Party was well attended and a good time was had by all.

This year party was attended by our landlord and his presence was much enjoyed and appreciated.

Many members were unaware of requirement to RSVP and submit dinner selection and payment prior to a set deadline.

Communication to be better next year.

Many thanks were express to the Christmas party committee for their efforts on behalf of the club.
