Hello Saints members,

April Meeting Canceled

Remember that the April meeting has been canceled. We will meet in May as usual.

Field Committee

Gary Cathey and Mike Ross have begun taking care of the field. If you see them at the field, let them know you appreciate their efforts. We still need to check out the road before you drive on it. The owner was blading the road, and may bring in more gravel. If he does gravel the road, we will have to kick in part of the cost as we did in the past. We should be able to cover this from existing funds.

Porta Potty

We just had the porta-potty delivered to the field last week.

Show and Tell

The last two meetings no one brought anything to show. At the May meeting, show off your winter projects – ARFs or otherwise.

Meeting Minutes

St. Charles Saints – Meeting Minutes

Meeting called to order by President Rich Jenkins on 3/11/2010 at 07:00 pm.

Roll call was taken with 18 members present. There are 29 membership openings and 54 members.

There were two visitors in attendance and are interested in joining the club, Kirk Kennedy and Dominic Alberico. Dominic is a former member and once wrote a history of the club. Welcome.

Treasures Report: Beginning balance is \$6290.27, with credits of \$608.00, and debits of \$17.78, \$8.70, and \$100.00. This leaves an ending balance of \$6770.59.

Motion was made to accept the secretary's report as printed in the newsletter, membership aye.

Field Report: Jim Plonka gave a field report. The road and field are soft. It is advisable not to drive on the field till it dries out and to walk the road first before driving on it. Jim checked on the tractor and it is cleaned up, serviced and ready to go. He will get with the folks that have the tractor when it is time to have it delivered to the field. He will go over operation of the tractor with the new field committee.

Safety Report: None.

Old Business: None.

New Business: Motion was made to cancel the April meeting since many members will be away to the Toledo Show, membership aye.

There was discussion on members flying airplanes at the same time other members are flying helicopters. Some feel helicopters and planes don't mix very well but there has not been any problems reported. This probably due to members being courteous and alternating their flying as to not adversely affect the other. Rick Ellis has graciously volunteered to be the clubs helicopter pilot trainer and will gladly assist in inspecting your equipment. Thank you Rick.

There will be a charity fun fly in Cape Girardo.

The Spirits are having a tail gate swap meet in May. Sorry I don't have any dates. Information can be had at your local hobby shop.

Show and tell: There was nothing to show and nothing to tell.

50/50 was won by Rick Ellis.

Attendance prizes were won by Don Pallet and Glen Basler.

Motion was made to adjourn and the membership was aye.
