### Prez Sez

Our first meeting this year was held at Mark Twain Hobby Jan. 13th. They have a nice meeting room. A little smaller than we are use too, but I don't think that's a bad thing.

When you come to the next meeting, you can't get to the meeting room through the hobby shop. You have to go down to the door to the meeting room. It is the first door to the right of the Kitchen and Bath Remodeling Store.

We had a great meeting. Don Shelton stepped up to the plate and volunteered to be your Newsletter Editor. John Buchillon will be the Webmaster. Pierre Fath and Rich Gwyn will be the new Field Monitors. Don Pallett and Bob Ponte will be the Safety Officers. Keep in mind, when neither of these Safety Officers are at the field, we are all Safety Officers. I would like to thank all of you who volunteered, the whole club appreciates what you will be doing. THANKS!

On behalf of the club, I would like to thank the Officers of 2010 and Dan Eaton for being the Club Newsletter Editor for several years, they all certainly did a great job.

Another note of thanks goes to Dennis Babbett for letting us use his meeting room. Mark Twain Hobbies supports our club, be sure to support Mark Twain Hobbies.

Be sure to attend the next meeting (2/10/11) and bring your new project for Show and Tell, finished or not. I think it's kind of neat looking at a model in the bones. Our prolific builder Bob Ponte has done this several times with models he's built and it's very impressive.

I look forward to seeing ALL of you at the next meeting.
