Prez Sez

I hope you all had a very Merry Christmas and a Happy New Year. I hope you all got a lot of R/C Goodies. There were sure a lot of new things out there this year. We are really blessed being in a hobby with such technological changes happening all the time. I don't know about you but when I go into the Hobby Shop and see some of the things they are coming up with, I am just blown away. For instance, they have these small electric models now with only a wingspan of 14" or so and they have 3 gyros. With the gyros they keep the model flying straight and level and if there's wind it just doesn't matter it corrects its self and still flies great.

Last month's meeting we were not able to give out the awards that we give out every year, ("Most Outstanding Member of the Year Award", the "Officer of the Year Award", and the "Most Spectacular Crash of the Year Award"). The store didn't get them engraved in time so the next meeting we will hand out the awards.

Again, I would sure like to hear from you on any suggestions you might have on how we can get more members to attend our meetings.

See you at the next meeting, Thursday, 7:00 PM, January 12

Paul (The R/C Nut)

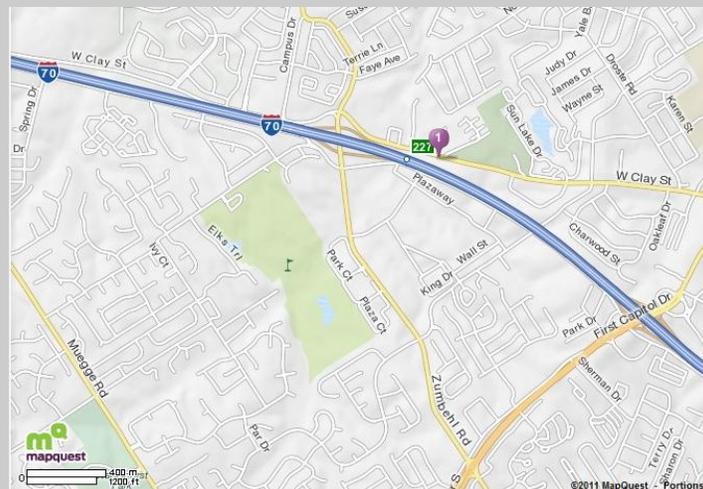

Meeting Schedule

SHOW AND TELL

Pierre's Seagull Hobbies PT-19

Christmas party: Although this year's party was not paid for by the club and no big dollar prizes were awarded, it was a great party. Those who participated enjoyed the new restaurant, Caleco's, and the great food. We will probably go with this format next year. Hope more will attend.

Alternative flying facilities when it turns cold. We received this invitation from Tricounty Sports Complex.

My name is Stephanie Bone. I am the manager at tri county sports complex in Moscow Mills, Mo. We have started an indoor flight session on Friday from 6-9pm. This is something new we have started. We are not a club just wanted to provide a place for flight when the weather outside is not permitting. Our fee is \$7.00 per person. No outside food or drinks are allowed but we have full concessions every night. I wanted to pass this information along and give you a chance to pass it on to your club members. Our website is www.tricountysportscomplex.com you can also find us on facebook.

Thank you for your time
Stephanie bone

Help needed:

Send your pictures and feedback to the [Web Master](#). Let me know what you like or don't like. What features would you like added. This is your club, your newsletter, and your website. What do you want to see. This time of year, I need help getting the information on the site. If you don't participate, it just don't get done.
