(636) 723-3220 home

Prez Sez

Remember we will meet this month at the field as planned June 12th (weather permitting). In case of rain, meet at the hobby shop. I want to encourage all new members to make an effort to be there because we will cover topics you need to know. Also as a reminder, our by-laws state that all new members are expected to attend 50% of the meetings in the first year unless excused by the officers.

The tractor is still in the shop for repairs. There has not been an estimate yet. This is another thing we will discuss at the meeting. We have some money in the bank for just such an occasion, but we will see if we have to buy a new or used tractor if this one cannot be fixed, or the cost is more than it is worth.

If you know of someone that is not receiving our emails, please let one of the officers or Don Shelton know so we can straighten out the problem. The numbers are on the web site.

Hope to see you at the next meeting. Come early, bring an airplane and squeeze in a flight!

Richard

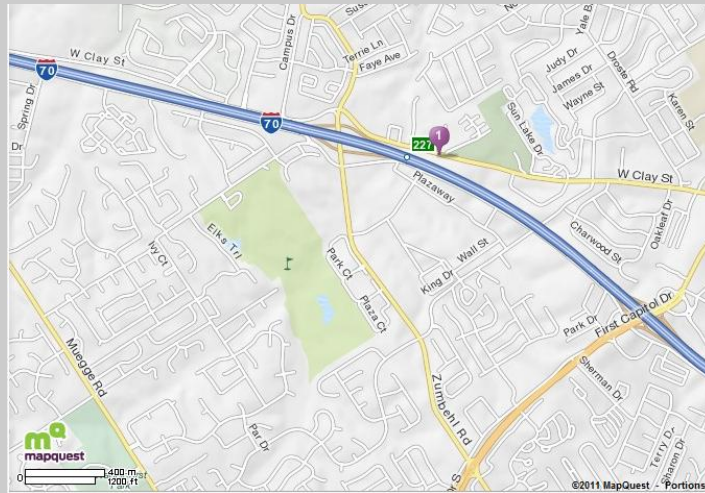

Meeting Schedule

Meeting Dates: 2014: Jun 12, Jul 10, Aug 14, Sep 11, Oct 9, Nov 13, Dec 11.
(Meetings for May, Jun, Jul & Aug tentatively scheduled at the Saints field.)

Meeting Time: 7 to 9 pm

Meeting Location: Saints Field (Jun – Aug) or Mark Twain Hobby Shop

From eastbound I-70 take the Zumbahl exit north and turn right on West Clay. Go 1/4 mile. Mark Twain Hobbies will be on your right. The meeting room is entered via the leftmost outside door for Mark Twain Hobbies.

Meeting Minutes

May's Meeting Minutes (5/8/2014)

Last month's meeting the weather was bad.

Attendance: One member and the officers showed up. We were going to meet at the field, but at the last minute President Richard Jenkins decided we should meet at the hobby shop instead due to the storms moving in just then. He posted a sign on the gate at the field to direct anyone showing up about the change. We will just meet next month at the field as planned on June 12 (weather permitting). **In case of rain, meet at the hobby shop.** Richard has invoke a new inclement weather policy – from now on, if we are scheduled to meet at the field and the weather is bad, we will meet at the hobby shop meeting room instead. He will coordinate with the manager beforehand so we will have the room.

I got an email from Gregory Bowls, secretary of the Spirits of St. Louis RC Flying Club. He wanted to send the Club a Flyer on their Open House that they are having on June 21st. You can visit their web site for more information.

Although last month's newsletter was published, it was not done before last month's meeting. Please accept my apologizes for not getting the newsletter out, but I had death in my family (first cousin) and I got a little bit side tracked.
